Seating Solutions

www.featherlitefurniture.com

Who we are

Incorporated in 1965 Featherlite is one of the leading furniture manufacturing organizations in India today providing complete office furniture solutions for all segments of the market through its strong base of direct and franchisee offices present across 62 locations in India.

Featherlite's core expertise lies in manufacturing and marketing extremely innovative, cost effective and customized office furniture such as modular workstations, chairs, partitions, desks, conference tables as well as educational, laboratory, & retail furniture, soft seating and fixtures.

Featherlite has demonstrated execution of mega, multi location projects without compromising on requirements of customers. The company manufactures more than 50,000 chairs and 15,000 workstations in a month. Operating from factory space spanning more than 3 lakh sq. feet, the company has over 20,000 esteemed customers pan India including giants like Cognizant, Mercedes-Benz, Hindustan Unilever, Caterpillar and several others.

over **8 million** Chairs and

20 lakh Workstations installed

over **60 million** sqft of office space fitted across India

Global Standards & Certifications

Featherlite is a member of BIFMA and is one of the leading Indian brands offering environmentally sustainable products as per ANSI/BIFMA e3-2014 standards. BIFMA compliance gives manufacturers, suppliers, architects, designers and government agencies a benchmark for production of sustainable office / institutional furniture and seating products. This mark establishes performance criteria that address environmental, economic and social aspects throughout the supply chain.

Our commitment towards quality industrial practices,
environmental and social impact

Green Guard Gold certification from UL Environment indicates that material process or finished product meets extremely rigorous standards for low emission of volatile organic compounds (VOCs)

100% Solar

Featherlite, besides being a leading Furniture Manufacturer in India is also a responsible Corporate Citizen. The Company is one of the first manufacturing unit in the state of Karnataka to not only sign an MOU with the State Government but also to implement and generate 1 MW Solar Rooftop Photovoltaic system (SRTPV) on an industrial building.

The "State of the Art" manufacturing unit located at Hejjala, 20km from Bangalore has a rooftop area of 1 Lakh sq. ft. The Company has utilized every available roof space including canteen, two wheeler stand, car parking roof and canopies besides the main manufacturing unit in order to maximize the power generation & generates over 1MW of Solar Power.

A total number of 3,000 solar panels each generating 320Wp of power per day and 16 string invertors support the power generation and transmission to Power Receiving Yard. The system has been integrated with state power supply board and surplus power generated is fed into the grid. The system will produce 1.5 million units per annum of which 0.5 million units will be fed into the grid lighting scores of house holds. This major initiative by the company has reaffirmed Group's commitment to minimizing environment degradation by reducing Carbon Footprint and helping the Government to achieve "Electricity for All" by 2020 goal set by the Prime Minister.

CONFERENCE/ DISCUSSION SEATING

Site : Vestian, Bangalore | Products : Signature Glass Conference Table with Liberate MB Chair

Consider the boss' chair, a mute object. You may think, an insignificant agglomeration of steel springs and upholstery - only a spot to sit. Indeed, the seat picked by top officials is significantly more than that. It is a totem, an image of intensity, and it anticipates a charming, if subliminal, message. The C.E.O.'s chair is a very powerful tool for managing the impressions of visitors. It exemplifies personal style. Does it say hierarchy, or does it create the illusion of equality? Either way, the chair's symbolism is key. Our executive chairs are designed to exhibit seating that offer unparalleled levels of comfort and support. Most of these products of engineered working comfort are made in a range of models for all of the employees in the corporate empire - from the data processors to the C.E.O so that one doesn't have to divine from the height of the back or the richness of the upholstery who the ultimate occupant might be.

EDUCATIONAL FURNITURE

Education is the seed to success. Learning and imparting knowledge gets innovative by the day with infrastructure and learning space keeping pace with such ever changing times. We design and engineer furniture for the academic space that enables contemporary learning while perfectly equipping the gurus and disciples. Our top notch academic furnishing solutions encompass every infrastructure setup possibly imaginable.

Please scan the QR code to download our full catalogue for Education Furniture.

Designed and engineered for the academic space that enables contemporary learning, Graduate is one of our top of the line educational furniture. The attention span of a student is 10 to 15 minutes whereas classes in educational institutions last for at least 40 minutes. With the infrastructure and the learning space keeping pace with such ever changing times, Graduate is built with the concept of creating focus zones for students to develop high levels of performance and active attention.

Graduate is an ideal educational furniture and can be integrated easily into any classroom space as it is a uniform system of seats and tables with multiple available adjustment and arrangement options. The superior material and build of the product creates a supportive load bearing ability. Empower your students through attentive and creative collaboration, generate optimal performance levels and bring them a step closer to a bright future with Featherlite's Educational Furniture range.
